

COYLE

School of Irish Dance

20 ANNUAL FEIS

Coyle Feis 2016 Information Sunday - 11/13/2016

1331 O'Reilly Drive
Feasterville, PA 19053
www.sportsplexpa.com

We are looking forward to a great day on Sunday 11/13. Best of luck to all the competitors! Sorry for the length of this note, but it will address most questions.

- We have well over 1000 competitors with packed schedules on each stage. It will be a full day for many of you. We ask that you have your dancers ready to line up during the competition prior to theirs, so that we can keep the stages moving.
- **Stage Schedule** is posted on www.coyleschool.com
- **Schedule Conflicts** – If you have conflicts with competitions on different stages, please be sure to check-in with your stage monitors, so they know you are there.....this way they can keep the competition open so you can compete. **All set competitions will be held open for 1 hour in case of conflicts.**
- **Entries** – If your child's name is not on the competitor list, you have not entered, or were deleted for non-payment. Changes to entries are closed. **There will be NO entries or changes to entries the day of the feis, no exceptions.....Please do not ask – we will say NO.** Please check your entry on Feisweb before the feis. You can print your competitor number on Feisweb, or you can pick up numbers at the entrance. If you have a problem, please contact us at entries@coyleschool.com **before Saturday 11/7 at 12 NOON.**
- **Parking** – There will be attendants there to guide you. The Sportsplex has an arrangement with the local businesses in the area to allow parking in any of the local business lots on Sundays.
- **Doors will open at 7:30** – If you arrive earlier, please wait in your cars. The vendors need time to set up.

- **Figures start at 8:30 Sharp** - Teams need to be lined up side stage at 8:15. Competitions **700/710, 701/711, & 702/712** will start at **8:30** so please have your dancers there on time. The girls and the mixed teams will be competing together. If you're in both a girls & mixed team, let the stage monitor know so they can separate the groups in rotation. **All other competitions will start immediately after teams....sometime between 8:45 & 9:00.**
- **Combined Competitions** – If your child is in a competition that has been combined, such as #225/235, the number on your competitor card from feisweb will likely show it listed as #235 even though you entered 225. We tried to combine competitions less than 5 competitors where we could.
- **Lunch** - We are not posting a specific time for lunch on the grades stages. Each stage monitor will determine the best time to break depending on how quickly the stage is moving....most likely sometime between 11:30 – 12:30.
- **Food/Concessions** – The Sportsplex will have a well stocked Café/Grill. Additionally, they will have snacks available at another location in hopes of avoiding long lines. We will also be selling baked goods and candy.
- **Camping** – The venue has plenty of room for camping. Each rink has bleachers that would normally seat as many as 800 people. You can camp in the rinks, but be respectful of doorways and obvious walkways. Feel free to bring chairs, as we will not be providing chairs for dancers or spectators.
- **Grades results and Awards** will be in the Yellow room on the far right side of the venue.
- **Championship Awards** will be held upstairs on the Mezzanine. We will be posting award times for each competition upstairs and at the bottom of the steps 10-15 minutes prior to announcing winners. Dancers must be dressed for awards.
- **Soda Bread Competition** – The drop off will be upstairs by 11AM – there will be tables in front of the offices. Please leave your bread with your competitor number. The competition will awarded with a perpetual trophy around 2PM.
- **Vendors include:** Fays, Head for the World, Feis Fayre, Candidly Kate
